

Home Infusion Services

1-800-489-2609

King Drug and Home Care provides safe and effective intravenous therapy in the comforts of home. Our professional staff of pharmacists and infusion nurse specialists have over 20 years of combined experience. Our highly skilled clinicians provide services to the people of Western Kentucky 24 hours a day, 7 days a week.

Our goal is to provide personal, patient-focused infusion services in the home care setting. We efficiently manage the therapy needs while offering quality care.

Our pharmacy offers a complete array of therapies, including:

- TPN
- Enteral Nutrition
- Chemotherapy
- Immunoglobulins
- Colony Stimulatory Factors
- Antibiotics
- Antivirals
- Anticoagulation
- Pain Management
- Dopamine
- Dobutamine
- Hydrations
- Chelation
- Corticosteroids
- Antiemetics
- Deferoxamine
