

Mission Statement

Our mission is to achieve the highest level of quality pharmacy and home care services through a genuine commitment to excellence for our customers. We will strive to be a valuable resource in our communities and to be knowledgeable, respectful and caring.

Philosophy

King Drug and Home Care has been serving Western Kentucky residents for over 40 years. We provide a full range of home medical supplies, respiratory services, diabetic supplies and pharmacy services to our valued customers. Our philosophy is well reflected in our company slogan “King Drug and Home Care - The Products You Need..... The Care You Deserve”.
