Refill RX Instructions **YOUR ONLINE REFILL SERVICE**

For your convenience we have added the ability to refill your prescriptions online. There are a few simple steps to follow.

1st - Ask your pharmacist to give you your **REFILL RX ID**. This is a number generated by our computer system and is unique to you and should not be shared with anyone.

2nd. Visit our website at www.kingdrug.com . On our home page you will see this section.

Simply click on the pharmacy you use from the drop down menu.
OWENSBORO, HARTFORD OR MADISONVILLE

3rd. This will take you to the **refillrx** website where you will enter your **REFILL RX ID** given to you by the pharmacist in the provided **Patient ID** box.

4th. On this page you should see any prescriptions you have had filled in our pharmacy. You can choose to refill by simply checking the small white box next to the appropriate one and selecting **REFILL** at the bottom of the page.

Once you complete these steps the prescription is loaded in to our pharmacy system and will be filled and ready to pick up within two hours.
